

Leah Kate Monster Song Lyrics

[Intro]

Mm-hmm-mm

[Verse 1]

Tell me, tell me how you hate me now?

All for nothing, tryna drag me down

I just don't know how you sleep at night

Kill my heart then you twist the knife, yeah, yeah

[Pre-Chorus]

Go run your mouth and keep putting dirt on my name

You love to see it, another woman to hate

Burning me down, but I got high on the flames

To just watch me, watch me

[Chorus]

Watch me turn into a monster

Taste blood on my teeth

I'm a bitch, I'm a nightmare

I'm the girl of your dreams

Watch me turn into a monster

Tell your friends I'm a freak

I'm a thot, I'm a psycho

I'm the girl of your dreams

[Verse 2]

Tell me, tell me how you hate me now?

While you're staring at my photos now

You'll say anything your mom wouldn't even believe

The semi-automatic thoughts coming from your screen, yeah, yeah

[Pre-Chorus]

Go run your mouth and keep putting dirt on my name

You love to see it, another woman to hate

But when you make me famous you'll be the first one to thank

So just watch me, watch me

[Chorus]

Watch me turn into a monster (Watch me turn into a monster)

Taste blood on my teeth (Taste blood on my teeth)

I'm a bitch, I'm a nightmare (I'm a bitch, I'm a nightmare)

I'm the girl of your dreams (I'm the girl of your dreams)

Watch me turn into a monster (Watch me turn into a monster)

Tell your friends I'm a freak (Tell your friends I'm a freak)

I'm a thot, I'm a psycho (I'm a thot, I'm a psycho)

I'm the girl of your dreams (I'm the girl of your dreams)

[Post-Chorus]

(I'm the girl of your dreams)

Yeah-yeah, yeah-yeah

(I'm the girl of your dreams)

Yeah-yeah, yeah-yeah

(I'm the girl of your dreams)

Yeah-yeah, yeah-yeah

(I'm the girl of your dreams)

Yeah-yeah, yeah-yeah

[Chorus]

Watch me turn into a monster (Watch me turn into a monster)

Taste blood on my teeth (Taste blood on my teeth)

I'm a bitch, I'm a nightmare (I'm a bitch, I'm a nightmare)

I'm the girl of your dreams (I'm the girl of your dreams)

Watch me turn into a monster (Watch me turn into a monster)
